

Instructions

Step 1: Print, and cut the cards out individually.

Step 2: Decide on the cards you will use for your family.
Decide whether to use all the cards or some of the cards.
Decide if you'd like to reword any values or add your own values and write these on the blank cards.

Step 3: Choose Option 1 or Option 2

Option 1: As a family discuss the value cards. Make a shortlist of your top 15, and then from the shortlist choose your top 5 to 10 family values.

Option 2: Print a copy for everyone in the family. Each family member sorts the cards to choose their top 5 to 10 values. Discuss your values - what's the same and what's different and which ones would you like to decide on for your family values.

Enjoy!

DR LEONIE WHITE

The page is framed by a decorative border consisting of stylized, overlapping leaf-like shapes. Each shape is filled with a different blue pattern: some have diagonal stripes, some have a dotted pattern, and some have a solid blue color. The shapes are outlined in black and arranged in a circular fashion around the central text.
